### ***Career Summary***

An individual who love challenges and is always inclined to fulfill all the tasks on time and with professional manner. Already hold 9+ years of experience in teaching English to different age group people. Took a challenge to change my career and move in to web development field. Have to my credit full stack web development course from boot camp organized by University of Sydney & Trilogy Pty Ltd.

### ***Technical Skills***

- HTML5, CSS3, JavaScript, JQuery, Bootstrap, API

### ***Projects/Applications***

#### **Website**

Entertainment Library

- Application will display information and recommendation about any artists, books, movies typed by using the Taste Dive API, and also using the Wikipedia API to display general information about the chosen artist.
- Developer in a group of three.
